<b>8. (VUAS-econ_T_8:S8) General comments about the Teaching Assistant:</b>
<b>• ECON 8110-01 spr2016 S2016F (Samad, Zeeshan)</b>
Zeeshan really carried the course. He spent a lot of time fixing the professors lecture notes, clearing up things she had said incorrectly, and generally making the course clearer. His review sessions were very helpful and he was honest when he didn't know something. He was also asked, frequently, to give the lecture, and those were honestly some of the most useful days in the class.
Zeeshawn did a great job and I appreciate all of his effort.
Zeeshan really went the extra mile for this course. He put in a lot of effort to address any questions we had and helping us understand particularly tricky concepts.
